

ENJOY YOUR **FIRST CLASS**

TIGGO 8 PRO

THE FACE OF FIRST CLASS

The Tiggo 8 Pro is the epitome of luxury that transcends the bounds of a mere vehicle; a masterpiece that commands centre stage presence. Its diamond-shaped front grille gleams like a finely cut jewel, while the illuminated logo radiates an aura of refinement, as if whispering tales of elegance.

Beneath its sculpted form lies an engineering marvel, offering a symphony of stability and handling. The 19" Aluminium Alloy Wheels punctuate its presence with a dynamic rhythm, while the LED daytime running lamps illuminate the path ahead, casting a steady, guiding light that cuts through the night like an unwavering hawk.

With a ground clearance of 207mm, the Tiggo 8 Pro rises above the ordinary, gliding effortlessly over any terrain as if the road itself were sculpted for its passage. It is a chariot designed to lead, to conquer the rugged and the refined with unshakable confidence.

At its heart lies a 1600cc turbocharged high compression engine, a force of nature that pulses with 195 BHP and 290Nm of torque. With every command of the pedal, it speaks in the language of power and precision, a perfect fusion of strength and grace, delivering an exhilarating performance that leaves behind a fervent desire to take the wheel.

Selectable Drive Modes

Spacious Seats

The All New TIGGO 8 Pro Max epitomises luxury with an array of opulent features and enhancements that redefine your first class driving experience.

Enveloping you in absolute luxury and comfort is the plush leather upholstery that's hand-stitched to perfection on the seats, steering wheel, and other key touchpoints.

Elevating that first class feeling further is the ambient lighting, carefully placed to create a soothing and sophisticated atmosphere within the cabin. To cater to your senses, the TIGGO 8 Pro Max offers a top-tier 8-speaker Sony Sound System that delivers an immersive experience with crystal-clear audio quality.

The incorporation of Queen Co-pilot seats, sound-dampening Mute Glass and Driver Memory Seats with ventilation pamper you on every journey.

The upgraded 540° panoramic camera system sets a new benchmark for first class SUVs, enhancing safety and providing a comprehensive view of the vehicle's surroundings. Dominating the dashboard is the 12.3-inch LCD driver cluster and 12.3-inch centre control LCD screen that seamlessly integrates into one high-resolution Dual Curve Screen.

When it comes to safety, there's a commitment to unwavering confidence and no compromise, highlighted by the inclusion of 9 airbags, ISOFIX, and up to 15 Advanced Driver Assistance Systems (ADAS). Among these features are Automatic Emergency Braking (AEB), intelligent alerts, parking assistance, and Traffic Congestion Assist, collectively contributing to an elevated sense of peace of mind on the road.

Overall, the All New TIGGO 8 Pro Max is meticulously designed to provide a luxurious and indulgent driving experience, where every detail is carefully considered to ensure unparalleled comfort, style, and sophistication.
